Call to Order

Discussion / Action Items:

- Meeting to commence at the Lincoln High School – committee shall meet at the high school to review to discuss the building elevation and the proposed options for the future connector

(Zoom will begin after the tour)

- Vote on final elevation concept
- Update on RIDE submission
- Update on State property availability
- **Recommendation;** Lincoln PEC Committee approves the building elevation(s) and floor plan for the Lincoln High School PEC. The committee authorizes the Design-Build team of Ahlborg/RGB to move forward with submitting the SD design, including alternate connector, to RIDE and to also proceed with design development stage. The committee also authorizes Ahlborg Construction to proceed with the early procurement of the pre-engineered metal building in order to maintain the project schedule.
