New Business:

Nothing new on theFY23 Budgets

Library 4800: thereis a library board and if they want any increases this should be asked of them.We just review the budget for questions. This Richard Denerstein and Craig Joly will go over the Library budgetwith Becky Boragine.

Review the EducationBudget for Wednesday

Reviewed from theLibrary 4800 through the end of the Municipal and listed more questions for theTown Administrator. There appears to bean error in the longevity cell. Addressed this one to John Ward.

Public Comment: Before this goes to printing do we look at the Budget againand when the book comes back from printing? Yes, we look through it again for any additional errors to be addressed? We typically look at the book and referencewhat we have adjusted and will address if the adjustments did not get in at theFTM.
