Carl has emailed Town Administrator Finance Director, emergency repair of the Hearthside roof-Working the details out now waiting for the insurance to let us know if they will cover.

Solar article in the Valley Breeze asked the Town Administrator how this was going to be paid for. Discussion on this resolution at the FTM, there will be a resolution for this and we will need to revise the revolving fund language at the FTM.

Previously, the School Department the budget was reflected with just what was approved by the FTM and the one for FY23 you have used the additional funding to the budget amount will we be getting corrected sheets?

Board of Trustees of the Library asking if they knew about the changes and has the budget been presented.

No answer as of yet

Phone call from Lincoln Housing Authority regarding the Tenant Board- they watched the tape from last night and they said no secretary was necessary and cameras they are looking to see if they can broadcast their meetings.

Nothing from the Town Administrator on the questions

Some answers from the Superintendent on questions will have more this evening to send.
